

Dear Honorable Judge David Wilmer,

Jan. 18, 2019.
United States Court of Appeals for the Fifth Circuit
Southern District of Texas
FILED
JAN 18 2019
David J. Bradley, Clerk of Court

Due to the excessive crimes such as stalking, threats, cyber bullying, threats, recent aggravated assault ^{& robbery} (all gone to trial this month, Jan. 2019, in court 177), seven moves due to ^{cyber} terrorism, ect., Relentless scare tactics since I filed this law suit, it has ^{all} caused extreme financial burdens. Right at this moment Jan. 18, 2019 at 1:20 p.m., I recorded a phone threat and an evil chant. ^{satanic} You clerk has told me to let security know on the way out. This matter has been worse than ever since I filed my 33 pg motion. It has gone to the FBI and now 2 DA's in Harris County. For whatever reason to many are are shocked that no arrest have been made. The relentless standing regarding my case and photo shopping my pictures all over my publicly and case is causing a lot of Stress. We (my boyfriend and I) are currently working on a show called Veterans helping Vets. These stalkers come to my work and harassed me in public. It almost caused me to get fired. The Baytown Police forwarded my case to a DA in Harris County. Still no arrest. The names behind this nightmare, as Tony Huitt in Sacramento California, Wilbur with Aunton (Bill the Butcher Youtube name, Robert Balf's

and people who go by Troll names wearing mask with fake names. Hacking issues are non-stop and FB keeps warning me about these matters as well.

My evidence keeps vanishing which is why the FBI was contacted by myself and witnesses. Even HPD

has been ignoring the seriousness of this honor. It is clear that people are out to destroy my life and case. I ask you to please consider my lack of

finances over having to make so much. Also my boyfriend and I clearly are targeted and keep getting robbed. We met a detective over all this and not one call back.

As you know this is my typical consistent complaint since the start of my lawsuit. I ^{also} need surgery now

as well which makes matters far worse. I was ⁱⁿ the hospital in Baytown Tx 3 times in less than ~~last week~~ a week over

blood loss. I have 2 uterine fibroids. I am still very ill and weak.

All these traumatic events is why I am hoping the filing fee for my last motion can be waived. I do not have the money to continue my lawsuit and new solid evidence only strengthens my case.

I only pray you agree that my case can be reopened. Without the filing fees my new address is **803 Archer Rd.**

Baytown, TX 77521

Thank you.
