

Response to Lyndhurst Police Motion to Dismiss
U.S. DISTRICT COURT
DISTRICT OF NEW JERSEY
RECEIVED

2019 JAN - 7 **Motion for Continuance**

Docket # 2:18-cv-12822

TO THE HONORABLE JUDGE OF SAID COURT:

COMES NOW, The Plaintiff in the above styled and numbered cause and files his Motion For Continuance and in support thereof would show the Court as follows:

I.

The Plaintiff has the intent of retaining an attorney to represent him in this cause of action. Due to the holiday, it is reasonably expected that an attorney will be retained for my family who is coming on this week and will be making an appearance on record by the end of this or early next week. It is anticipated that the new Attorney will take over the case and give the family the proper representation in this federal matter, as part of my constitutional right that I am entitled to.

I respectfully asked this court to give me a 30 to 60 day extension so that the new Attorney can have the time to property prepare and fully represent me in this case. The request is not for delay but so that justice may be served.

It is with this fact in mind that I ask that the court to grant this continuance so that my attorney may make appearance on record and begin to properly handle and put this case on track illustrating federal jurisdiction, to which there is plenty of when handled and worked on by a seasoned attorney knowing the federal statues and codes.

**WHEREFORE, PREMISES CONSIDERED, the Plaintiff prays/hopes/asks/requests
that his motion for continuance be granted.**

Respectfully submitted,

Lee Kenworthy
