Case Number: CV-00068-PHX-JJT (JFM)

Judicial and Other Notice, Cognizance and Action Necessary and Required based upon the following, to wit:

There exists no explicit authority within Article three, section two of the Constitution for the United States of America c1819 for an altering of due process and the procedures thereof as practiced for millennia by man under the absolute authority of the Doctrine of Customs, which was acknowledged by the alleged Congress in their purported "An Act to establish the Judicial Courts of the United States" at section 32. By, under and pursuant to the Doctrine of Delegated Authority a delegated authority cannot in turn be delegated. Therefore, Rules Enabling Act (ch. 651, Pub.L. 73-415, 48 Stat. 1064, enacted June 19, 1934, 28 U.S.C. § 2072) and any acts emanating therefrom, thereof and thereto was/were null and void at the moment of inception, not voidable. To attempt to enforce it upon those that do not consent to it is an act of an overthrowing the Constitution for the United States of America c1819, by, through and under which you as a Justice and/or Judge may possess and exercise authority at all.

The UNITED STATES DISTRICT COURT you are currently proclaiming to operate as, and under, along with registered businesses at each same business address also shows operations of HONORABLE FIRST MIDDLE LAST names, and derivatives thereof, in operation as well, has zero Constitutional foundation. This to a normal man would mean that these entities are masquerading as a Government operation with full intent to defraud at minimum, as well as sanctioning crimes such as kidnapping and unlawful imprisonment with no absolute right to do so. Add on top of that a system of extortion, especially considering that the alleged CONGRESS appropriates funds for your operations.

The FEDERAL RULES OF CIVIL PROCEDURE are self-evident evidence that, by its own admission therein, all Jurisdictions permitted under Article 3 section 2 of the Constitution for the United States of America c1819 are blended into one form. The mere fact that the COURTS continue to proclaim that men need to follow these so-called rules shows full intention to defraud, as well as a conspiracy to overthrow the Republican form of government sanctioned by the People in 1819.

Consent is hereby explicitly removed by my-self as I refuse to aid and abet in the acts you appear to be attempting to bring to reality. If you persist in such acts I would be forced, pursuant to Misprision of Felony, to make the same known to the Judge Advocate General by, under and pursuant to International Treaties which clearly grant the authority to correct the situation.

The cover page of my interface with you clearly denotes that it is in the character, capacity, condition, status and standing of a District Court of the United States of America by, under and pursuant to the Constitution for the United States of America c1819 and the Original Jurisdiction, Venue and Law Form thereof. It also shows my characters, capacities, conditions, status and standing and explicitly denotes the same. Constructions [of written instruments] are to be made liberally, on account of the simplicity of the laity, [or common people,] in order that the thing [or subject-matter] may rather have effect than perish, [or become void.] Co. Litt. 36a; Broom, Max. 540.

Govern yourself accordingly.
