---

Notice to : Honorable Judge M . Garfunkel and Honorable G. Fish and to the prosecutor and all hired for cause for fraud and swindle, in this fabricated case made up by the dead entity , the State of ARIZONA. Laura Anderson, who was hired for cause for fraud and swindle is hereby Terminated in writing immediately As per Amendment six in our American Constitution , I have the right to stand on my own behalf , choose my own counsel: Therefore I choose Myself to stand on my own behalf as my own Counsel, Sui -Juris.

---

1. I will only show myself as appearing by Special Devine Appearance only, seeing that this court actually does not have any jurisdiction over me as a living breathing woman a daughter of the most high God.

2. I have, as a living breathing woman and a living breathing soul, I have the exclusive right to speak on my own behalf and any attorney this court may hire for cause for fraud and swindle, will be fired by me, retroactive immediately who has not worked for me for one single second. :The **Miller Act** (ch. 642, Sec. 1-3, 49 stat. 793,794, codified as amended in Title 40 of the United States Code) requires prime contractors on some government construction contracts to post bonds guaranteeing both the performance of their contractual duties and the payment of their subcontractors and material suppliers.

3. In fact I have a case against the STATE OF ARIZONA/DCS in the Federal ( My Jurisdiction), Need I remind you all who are involved in attempting to prosecute I, an innocent woman on taxpayer's dime therefore wasting the states valuable precious

resources on bogus trumped up charges that I still do not know what exactly I was charged for ( ten months later after I filed against the State of ARIZONA,/DCS for kidnapping my son against his will and mine . There is no statute or law that says what law I have broken and no real names of the people that you say STATE OF ARIZONA , that I " Victimized. There is no clarification whether I committed a felony or misdemeanor, which proves beyond a shadow of any doubt ,that all charges are fictitious, trumped up bogus charges. Therefore, this is perjury in the first degree.

On 7/29/2019 ( see attached text message), two days after family court hearing to "sever my parental rights", one of my supporters ( which I can call in to testify ), said that this was sent too her (and she said she could be telephonically present to verify this). Why is this court releasing confidential information to people that support me? Instead of mailing it to me personally?

You cannot tell me that I cannot stand on my own behalf, learn the law it is Constitutional law. I will not sign anything, nor will I make any plea deals period. Also again, any attorney you hire for cause for fraud and swindle will be fired by me in writing immediately (I am not pro se or pro per learn the difference- I stand Sui-Juris -my own counsel as per amendment six of our American constitution, I hope I am making myself clear here. Also, this case is in the ninth district court of appeals against the STATE OF ARIZONA/DCS for kidnapping my son Jonathon David; Zeek under title 18 : 241 and 242 , and I plan to proceed in my jurisdiction legally addressing the wrongs by the STATE OF ARIZONA against me and my son ( the true injured parties by the STATE OF ARIZONA/DCS ) , and I have actually named the respondents working for the STATE OF ARIZONA operating as BUSINESS UNKNOWN , both in their private and professional Capacities and filed in my jurisdiction is what they have done to both me and my son. I stand an innocent woman oh STATE OF ARIZONA, who cannot even tell me how I injured you. Dismiss this case with extreme prejudice or a trial by jury will find you all as fools and me not guilty and I will appear each time by Special Devine Appearance only without an attorney to be hired for cause for fraud and swindle against I, an innocent woman. You cannot say I injured my son, his name is not listed as the plaintiff and furthermore, I have never injured my son and the ones who are responsible and guilty of injury of abuse and injury upon my son are the ones working for the STATE OF ARIZONA, which I have filed my grievances against them first in the Federal Court (in my Jurisdiction on January 7th ,2019). Let it be dutifully known for the record just whose Jurisdiction this is really in (all involved will be summoned to face me in my Jurisdiction). I know the law federal and state law and I know my rights and any further

attempts to rob me of my constitutional rights will be addressed in my jurisdiction in the Federal.

Upon my arrest on 7/12/2019, my Constitutional and human rights were totally violated:

1. No warrant was shown at the time of my arrest , no valid court order was served on 7/12/19. Neither was I read or briefed my Miranda Rights.
2. Bound to this affidavit is also another affidavit (please read in its entirety), Evidentiary affidavit)

I, Arlena Minerva ; Willes hereby declare, certify and state, pursuant to the penalties of perjury under the laws of the United States, and by the provisions of 28 USC section 1746 that all of the above and foregoing representations are true and correct to the best of my knowledge, information and belief.

Executed in Maricopa, Arizona this 2 day of 8, 2019.
