\*\*\*\*\*

I, Arlena Minerva; Willes do move this court to enter an order to dismiss this fabricated case with extreme prejudice Immediately . Due to the extreme and outrageous violations of Constitutional law, you have no jurisdiction over I, a loving mother and a law abiding American who has committed no crime. Neither can the STATE OF ARIZONA be the victim or use my son as the non-applicable victim. Without an applicable victim, there is no Crime and no case to stand on.

Please View Exhibit A :” A search of MCSO records was conducted using the information you provided and NO WARRANT was found “.

Why would I have to go to this court to obtain a copy of said warrant? On Indictment this court openly admits there was no warrant issued the date of my unlawful arrest on July 12<sup>th</sup>, 2019 . This court however states that a warrant was issued on July 15<sup>th</sup> , 2019 the day after my release from jail.

Therefore, seeing these pertinent facts upon the record your honor, there was no warrant issued prior to the unlawful arrest. I was not even read or briefed my Miranda rights: “Where rights secured by the Constitution are involved , there can be no rule making or legislation which would abrogate them “  
Miranda V. Arizona 384 U.S 436, 491 (1966).

\*Appearance in Propria Persona ( Pro per ) is an appearance as yourself ( as a proper person), I.e. a plumber is a plumber . However , this is distinguished from appearance in ( pro se) : which is an appearance to represent yourself, ( if you see someone who looks like yourself in the courtroom) as if you had the same knowledge as an attorney to represent someone –that someone being yourself , I.e. a plumber representing a plumber as a lawyer. The difference is very subtle!! You will be held to the same standards as an attorney pro se. I know the subtle difference. I am not pro se or pro per ....therefore, I am not to be held to the same standards as an attorney representing myself as a proper person (english) aka (latin: in propria persona abbreviated as pro per ). Bouvier’s law dictionary , 1914 edition adopted by the United States

**Supreme Court does not even list the term “ Pro se). It is a word manufactured by small time lawyers and judges. Therefore I stand I am ( Sui-juris) over my own Jurisdiction.**

**\*\*\*\*\***

- 1. I object and do not consent to this court's jurisdiction over me and my child Jonathon David; Zeek!**
- 2. I do not consent to your false allegations and trumped up charges over two made up non-applicable victims!**
- 3. I have filed an injunction against this court in my jurisdiction in the ninth district court of appeals against the employees of the non-applicable STATE OF ARIZONA!**
- 4. I do not consent for you to use my son Jonathon David; Zeek as a non-applicable victim when he has maintained his position for the past 12 months that I his loving mother have not abused nor neglected my son in any way! Let the record reflect that Banner Thunderbird hospital (original documents on Sept 5, 2018 proves that Jonathon’s statements to be true that I have not abused nor neglected my son in any way. “There was no imminent danger nor blood in the child's stool so the child was sent home.” The next day DCS abducted my son Jonathon David; Zeek from one retaliatory phone call due to me wanting to confirm Dr. Mullah’s diagnoses with my son Jonathon’s PCP.**
- 5. The investigating sheriffs Cobbley and Britt have misled the prosecution on a wild goose chase targeting a loving mother as Phoenix Children’s Hospital’s fall guy! to keep PCH and TCMC from being litigated against (Review bate numbers proof the medical records were tampered with)! I have all original documentation without the bate numbers to prove these documents were tampered with!**

**Therefore, I move this court and enter an order to dismiss this fabricated case against I, a loving mother who has committed no crime immediately!**
