CLERK, U.S. DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA
BY AMC
DEPUTY CLERK

Regarding:

Notice of payment without waiving any right to no fee filing, action.

I, Paul John Hansen, make demanded payment by court clerk for the following reasons:

1. Court clerks have informed me that paid filings get processed in less than forty-eight (48) hours.
2. Filings without payment under forma paprus may take considerable longer.

3. Payment is now made, by check payment, of \$402.00, under protest, so as to not waive any right of any filing without cost.
4. Payment is made only due to fear of being denied timely access to the court.
5. Without timely access to the court I may be forced to endure a loss of a substantial property right.
