At all times relevant to this Indictment:

1. In general, employers must withhold, deposit, report, and pay federal income tax, as well as Social Security and Medicare taxes from employee wages. The amount of federal income tax withheld is based on an employee's marital status and the withholding allowances as reported by the employee to the employer on the Internal Revenue Service (IRS) Form W-4. Federal Insurance Contributions Act (FICA) taxes provide for a federal system of old-age, survivors, disability, (Social Security tax) and hospital insurance (Medicare tax). Employers are required to withhold FICA taxes from

employees' wages and pay a matching amount of these taxes. During the times relevant to this Indictment, the employee tax rate for Social Security was 6.2% of the employees' gross wages which was withheld from the employees' wages, and the employer tax rate was also 6.2% (12.4% total). The employee tax rate for Medicare was 1.45% of the employees' gross wages, which was withheld from the employees' wages, and the employer tax rate for Medicare was also 1.45% (2.9% total). Employers were required to deposit federal income tax withheld along with the FICA taxes by submitting quarterly payments to the IRS. Each quarter, all employers who paid wages subject to federal income tax withholding and FICA taxes were required to file Form 941, Employer's Quarterly Federal Tax Return, by the last day of the month that follows the end of the quarter. This return reported the amount of federal income tax and FICA tax withheld from employee wages as well as the employer's share of FICA tax due and owing.

3. **KENT E. HOVIND** employed or caused to be employed salaried and hourly-wage workers at CSE and the various related business entities he controlled (hereafter referenced collectively as "CSE").

4. As the owner/operator of CSE and its related entities, **KENT E. HOVIND** was likewise responsible for paying federal income tax and FICA tax withheld to the Internal Revenue Service (IRS) and filing the appropriate IRS Forms 941, Employer's Quarterly Federal Tax Returns, for CSE, reporting amounts withheld and the employer's share of the FICA tax to the IRS.

5. **KENT E. HOVIND** failed to obtain W-4 information from CSE employees and failed to withhold taxes from employee wages.

6. **KENT E. HOVIND** failed to file IRS Forms 941, Employer's Quarterly Federal Tax Returns, reporting federal income tax and FICA tax withheld from employee wages to the IRS.

7. When employers failed to withhold taxes from employee wages, the IRS calculated the income tax withholding rate, and thus income taxes due and owing, at 20%.
