RE: CASE NUMBER: 3:20-CV-5484

Good Day Your Honor;

I am a party to the aforementioned case. I do not live close by which constitutes a hardship that may not allow me the opportunity for proper justice in this case. I would like to request CM-ECF privileges. I do have a Pacer account, and am familiar with the Pacer process. And I have many legal experts that have Pacer account that are willing to help me to assure I all is always done fully proper.

Thank you for your time and extra consideration in this matter.

Regards
