Probable Cause Affidavit

Before me this date personally appeared MILLER, NICHOLAS B. (1958) who being first duly sworn deposes and says that on 7 day of July, (year) 2021 at 1247 W SUNRISE BLVD, FORT LAUDERDALE, FL 33311 (crime location) the above named defendant committed the above offenses charged and the facts showing probable cause to believe the same are as follows

The victim sustained several injuries which included numerous lacerations and severe swelling to his left cheek. The victims face was covered in blood. There was blood spatter on the wall where the incident occurred, on the floor and on the milk crate. Victim was transported by FLFR R46 (Run #28270) to undergo surgery.

The DEF provided a Post Miranda statement confirming he did ask the victim for money. The DEF confirmed he did strike the victim with a beer bottle but said he did not remember hitting him with the milk crate. The DEF said he did this because the victim was supposedly going through his pockets, backpack and even got on top of him.

The battery committed on the victim was done with a deadly weapon (beer bottle) and caused great bodily harm to the victims face.

I swear the above statement is correct and true to the best of my knowledge and belief
