**MASKS.** All persons entering a court facility who are fully vaccinated (14 days from final vaccination) have the option of wearing a mask or face covering in any area of a court facility that is not a posted Mask Mandated Area. The Court recommends that all unvaccinated persons who enter a court facility wear a mask or face covering within any area of a court facility. Any person who refuses to wear a mask or face covering as directed by court personnel will be denied entrance or removed from the facility. If a participant is denied physical access to the courthouse for refusing to wear a face covering, the participant must contact the assigned judicial division to determine whether the person can participate in the proceeding using an audio or video connection.

**PHASE III.** Until Phase III, judicial leadership has limited any required in-person proceedings to attorneys, parties, victims, witnesses, jurors, judicial officers, court employees, and other necessary persons, where necessary to maintain the recommended social distancing within the courthouse, including each courtroom.
