BB Mark, your post IMPLIED (by omission), that Chris was in the bed with the boy AT D.A.L., which is not true  
And it also also IMPLIES that Kent supports that kind of behavior.  
That falsely causes the readers or viewers to INFER that it did happen In a DAL cabin, creating a lie.  
I'm not condoning or justifying Chris' actions.  
But making it seem like Chris is coming to DAL and crawling into bed in boys cabins with Kent's permission is WAY off.

Ok I lied. I don't have the patience to sit here and wait for something I know you cannot produce. To the discerning readers, ask yourself THIS: Why is it that amidst all the accusations of PEDOPHILIA, Ernie Land decided to defend his precious little NUX TRAX scam? what's more important, protecting snake oil or protecting CHILDREN?!

SMS Message received from Ernie Land 7/10/2021 12:46:58 PM

EL Mark you let your daughter have free run with little to no supervision at DAL for what 2 years ? If things were so bad, why would you let your own child go unattended for hours at a time?

SMS Message sent 7/10/2021 12:48:26 PM

I've been asking myself that same exact question... the answer is clear to me now. Because I TRUSTED that Kent was who he said he was. A SHEPHERD NOT A WOLF.

Mark is working for Satan, "the accuser of the brethren." Rev. 12:1 and probably doesn't even know that.

Just don't answer a fool lest thou be like him. He's a TW. Sad. He's also a liar but his boss has been a liar from the beginning. John 8:44. I never accused him of being a pedophile with his daughter.

Oh well, i gave 4 tours today, had lives changed, two more baptized and worked on science demos for DAL. I ask all DAL staff to pray for Mark Stoney but not respond to his silly videos or texts.

SMS Message sent 7/10/2021 2:00:57 PM

Yes I received donations from many people. Yes I used the funds to move to Washington which is what the GoFundMe explicitly states. No, the veterans ministry did not pan out as I was misinformed about the availability of the building. That was my plan, but Apparently not God's plan. I have faithfully answered all of your questions just as I said I would. YOU ARE STILL NOT ANSWERING.

SMS Message received from Kent Hovind 7/10/2021 4:19:04 PM

Evasive answer. He did NOT minister to any wounded vets and claims he had to have a certain building to do that! Did it cost \$5000 to move to Washington Mark? Will you give an accounting to those who donated? How much did you take in? 5k from Ernie. Who else? How much? Where is it? Are there any other ways you could minister to wounded vets without that building? Do all ministries to wounded vets use that building too? You seem to be eager to critique the way our cse ministry is run. Tell us about your ministry Mark. Without deflecting and waffling.

SMS Message received from Ernie Land 7/10/2021 4:27:44 PM

EL Can't answer for others. I, with a clean heart gave to the Kingdom with Mark as the steward, for a just cause if Ministering to vets and leading them to the Lord. Im good. God will bless my giving, but you Mark, stole from the Kingdom.

SMS Message received from Kent Hovind 7/10/2021 4:31:27 PM

 I agree! I fed, housed and provided utilities for him and his daughter for about 2 years and now he seeks to sow discord and help Satan "accuse the brethren" and thinks he's righteous for doing so.  
Hosea 4:17- he's joined to his idols, leave him alone.

SMS Message sent 7/10/2021 4:31:34 PM

SMS Message sent 7/10/2021 6:43:50 PM

That's gone now. And who is left is completely broken and without faith. The title of the video is "potential" which is ironic because THAT is exactly what predators like Brady, Chris, And the wicked men who protect them steal. Potential. Potential for normalcy. Where does he deny guilt? Where does he refute ANYTHING about his charges? He DOESNT. Just griping about being treated badly. I do agree to an extent that he was treated very very poorly. This treatment could have been avoided had he just been killed by the state. I learned that last part from you, kent

The following is copied from a conversation I had with Blaine Byrum, Brady Byrum's son whom Brady keeps a secret, for reasons you will understand after reading this.....  
~~~~~

I am trying to help you, because I can empathize with you more than I can with Brady.

Before you messaged me, he begged me to give you no response, and tell nothin about his past. That's what pissed me off the most.

Him trying to get ME to cover for him and help him stay in the shadows.... I told him he should be up front with everyone there, and let THEM make the decision of safety for their own kids, NOT to trust himself and in his own self-regulation because he's already shown himself to be un-trustworthy, and without the ability to self regulate.

I'm pissed that he STILL refuses to speak in honesty and the light of truth about what is THE. MOST. SERIOUS. TOPIC. EVER, and that even when he's asked DIRECTLY by someone who has found him out, he still weasels away from having the integrity to face the consequences with character.

Please don't apologize at all for anything, Mark. And please don't allow his manipulation to try and twist this around on you.

The TRAITOR is the adult who violates kid after kid after kid (yes, I recently got messaged that a distant family member knows of a THIRD child victim of Brady's) and the people who are standing up for transparency and exposure and full-disclosure are the ones working for the safety of all special groups that need protection.

"Kids" are one of those very special groups that the Bible says it would be better to be strangled or drowned, than to mislead or harm any of them... but "Pedophiles living in the shadows who refuse to speak honestly about their actions" are NOT one of those vulnerable, special groups that need protecting... they need exposure and to learn that we won't stand for it.

SMS Message received from Steve 7/11/2021 8:50:21 AM

S

regardless of anything Mark says, he still stayed and eat and worked at DAL for 2 YEARS! I remeber a time when he defended this place. He came here when he got custody of his daughter. She lived and grew up with tghem for the last 2 years. like it or not, that happened. Whats that say. easy to see, someone is bitter.

SMS Message sent 7/11/2021 8:55:55 AM

I had to lie about not going back to DAL in order to get custody. That's why I'm bitter. MY mistakes. Only 2 of my brothers have even spoken to me since then outside of a court room. They forgave me but there is still a lot of hurt there. THAT is on me. And I repent. I should have done my due diligence on Kent and DAL and you creeps that he keeps around. I NEVER would have been in a situation where I have to admit that my daughter was being groomed by pedophile BRADY BYRUM. So many gifts. Why so many gifts, BRADY? I trusted you people and you took ADVANTAGE. What sick disgusting perverts you are... I see you for the wicked me. You are and lament the lies I defended. This will be my final reply because my sweet baby needs me.

SMS Message received from Kent Hovind 7/11/2021 10:08:45 AM

Yeah! His "final reply!" That's way overdue! Shut up Mark. Go build something rather than tear down. \$5 says he lied and that will NOT be his "final reply." Any takers?

SMS Message received from Aaron 7/11/2021 10:34:00 AM

A I remember, Mark. However I never participated in the surveys because I was afraid of being kicked out for speaking up and sharing my opinion. I just kept my head down like a good little cult member.

SMS Message received from Jonathan Rife 7/11/2021 10:38:12 AM

JR Same. That survey seemed to be geared towards who he wanted to kick out. I spoke up when I thought it important enough.

SMS Message received from Jonathan Rife 7/11/2021 10:41:59 AM

JR This whole conversation is vain. Kent has never responded to anything we have said ever in any sort of beneficial way. Such as asking how the Lord was leading him in the way he was treating his wife? And why should we not listen to Matthew 18? All conversation so far have been fruitless.

Kent then intern demands responses from you Mark when he himself has never responded to people's issues. Hypocritical. I say it's all best to leave it alone.

SMS Message received from Aaron 7/11/2021 10:44:51 AM

A I do agree with Jonathan here as far as this group text. It's futile.

SMS Message received from Aaron 7/11/2021 10:47:30 AM

A If I were to make an ironic comparison, it's like arguing with an atheist.

SMS Message received from Jonathan Rife 7/11/2021 10:51:36 AM

JR Here is where I do agree with Kent. We should be focused on those Who need to hear the gospel. We need to be building up the brother in in faith and love. If there is any ministry who is not connected to the vine then they are serving God in vain. John 15:5. Let's all commit to stay connected to the vine who is Christ daily and pursue doing our fathers will. Who is not serving with a whole heart on either side, God will sort out. Serve well.

SMS Message received from Ernie Land 7/11/2021 11:01:51 AM

 Cindi is still falsely claiming that i body slammed her in October, 2020. Here is the three minute recording of the event. This had nothing to do with her getting her monthly \$1300 which i faithfully gave her for 7 months after this. At about the one minute mark she lunged at me to grab my phone which she had already told me that she would "break it in half and flush it down the toilet" when she got her hands on it. There were little decorative bells on the counter on the left that you can hear ring when she hit the shelf before hitting the floor. After hitting the floor she had plenty of air to scream for a while (while i asked if she was ok and helped her up) and once on her feet she slammed the tall kitchen chairs to the floor as i left. There was NO BODY SLAM and I'm concerned about her salvation! Or demon possession! Call me if you have any questions.

The spirit of serving God and winning souls and giving tours to teach about God's amazing creation is what i love about DAL. I know full well that I'm just a sinner saved by grace and i make plenty of mistakes but as best i can know my heart, I'm right with God and in His will. Cindi was an amazing wife in many ways but i have over 600 recordings like the one above that make me wonder about her salvation and even suspect demon possession. Time to stop with all this infighting and everyone get back to ministry work! I started this group text and now ask that everyone stop using it and go win souls. Josh. 24:15 KH

If you want people to stop using the text group, you sure don't know how to accomplish that. Lol. By telling a story of that night and giving a recording, where you do not explain how she ended up on the ground. That was the only part of the story left out. Bethany and I talked to both of you afterwards and our conclusion was you were both being complete jerks to one another and kindness and forgiveness were the furthest things from either of you. Ungodly examples of representing Christ's Church. Sure we all make mistakes and none of us are perfect but you and her made habits of hurting each other, you more than her. Instead of bearing each other's burden you did the opposite. There is no way any of us can ever tell if you did or didn't body slam her. Doesn't matter. You spiritually body slammed her left and right. She was continually hurt, and isolated.

The text group was ended, even on a good note with people from all sides of this issue in agreement that we should go serve God.

But YOU fire it back up with evidence you were collecting against your wife over the past year. Why, if you loved her, were you actively building a case against her? You were threatening her with evidence you were actively collecting against her and it's her fault she's angry about it. Do you understand women? You were hurting her(emotionally) and she didn't want it done.

Then you say, I love the spirit of serving GOD. Not according to your last abomination of a marriage. Then you say you are a sinner that is right with God?? Then you have repented. Have you? Then you end with Cindi is probably demon possessed. And end with bossing everyone around like your in charge to go serve God. How about teaching what is right with

encouragement instead of being a perpetual jerk. Then you say no one respond!!!! Lol. You've lost it.

Dear Margaret, Thanks for responding. I think you are seriously mistaken on this one for the following reasons: 1. Cindi was the aggressor for the entire incident and has been the one screaming, cursing and interrupting every time she doesn't get her way for the last year and a half. The record shows clearly that she has a long history of being aggressive, angry and violent against me whereas there is no evidence of me ever doing anything like that to her. I've never yelled at her, sworn at her, harmed her physically in any way, blocked her calls or left her or failed to provide for her. 2. She fell against the shelf then the floor and I'm sure it hurt her back. Any fall on the back hurts. 3. After the so called "body slam" she was NOT out of air from having the wind knocked out of her as would be the case if she had been body slammed. On the recording you can hear her screaming hysterically and loudly for quite a while and after I helped her up she violently threw the chairs to the floor. 4. She was probably "winded" and not able to breathe deeply when she came to you because of all her screaming, yelling, cursing God and slamming chairs down! 5. Thanks for admitting that she has issues. Nearly everyone who has worked with her here would agree with that! Many here have said she is bipolar. Joe's wife, who is bipolar and has a bipolar father said Cindi is bipolar. I'm not a shrink to diagnose those things but I've lived with her for 3 years and there are certainly two Cindis in my estimation! I love the sweet gentle Cindi I married but the wild, cursing angry Cindi I've also seen hundreds of times coming out of her is evil and I want no part of that Cindi! She talked with Joe who visits often from NM (and is here now) right after the event and admitted that I did not body slam her. I will try to figure out how to attach a link to the short video he made today about that. I hope this works. [https://youtu.be/\\_7gsTfd8xi8](https://youtu.be/_7gsTfd8xi8) 6.

6. For you and others to focus on her claim of a body slam rather than all the events that led up to her fall is amazing to me. This is a great diversion tactic. I don't hear anyone in her circle scolding her for yelling or cursing or using God's Name in vain. No one seems to be talking about her threatening to steal my phone to break it and flush it. If someone was trying to do that to you would you resist them and even body slam them if needed to get them to stop? I don't hear anyone discussing those very serious things and asking if she is going to repent and apologize for any of those. Seems hypocritical to me.

7. The staff and board members here at CSE thank me for being so patient with her and kind to her and talking calmly and for keeping my cool while she was acting like a spoiled child and obviously out of control! She certainly deserved to be resisted for trying to steal my phone and break it for no reason but I did NOT body slam her!

I pray your health is good. Come visit any time. KH

Point # 6. "For you and others to focus on her claim of a body slam rather than all the events that led up to her fall"

Kent, YOU are the one going all over YouTube running your YAP about a body slam. " I hAvE oVeR 600 rEcOrDiNgS" THATS YOU!

Besides that, we should TOTALLY get back to the more important topics. Topics like WHY YOU MADE MY DAUGHTER MESSAGE YOUR MOSTLY NAKED BODY WITHOUT MY FOREKNOWLEDGE, CONSENT, OR SUPERVISION. none of which I would have granted had you asked.

You consistently justify your daily massages as being "strictly therapeutic"

Please tell me how my small child had the hand/upper body strength to perform such "therapeutic massages"

I've had deep tissue massages before, they require quite a good bit of strength. Strength that my daughter still to this day does not possess.

What was REALLY going on in your mind as MY sweet precious child put her hands on your mostly naked body?

A little harder... down some... that's the spot...

The night I heard you body slam your wife, I went for my gun. You're LUCKY I didn't use it on you. I don't use the word "regret" but I'm starting to sympathize with those who do.

Pedophiles, spousal abuse, international network marketing fraud, snake oil scams, Hollywood child stars, where does this end in your mind, Kent?

You deemed me trustworthy enough to name me a trustee. I guess you assumed I was as sleazy as the rest. Bad move.

Am I suddenly insane simply because I don't grovel at your feet anymore?

You COULD answer the simple questions. But no, you would rather distract, deflect, obfuscate and DENY.

You claimed many have said she(Cindi) is bipolar.

PROVE IT.

Because the way I remember that particular survey going, NOBODY said she was.

Why are you lying now?

What are you hiding?

Why is Steve going on YouTube and saying I was kicked out of the army for "lude" acts?

I served our nation HONORABLY.

Yes I had combat stress coming home, yes I struggled. And it was YOUR seminar series that helped me find my identity in Christ.

That happened DESPITE you. God works in mysterious ways FOR SURE.

As the saying goes, NEVER meet your heroes...

Well, Kent, I'm a REAL American hero. although I despise the title, I bet you wish you had NEVER met me.
