Re: *Orr, Alana v. McGinty, Anthony et al*  
*Northern District of New York*  
17-CV-1280 (GLS)(TWD)

Dear Judge Dancks:

This office represents Defendant, Anthony McGinty, in the above-referenced matter. We write at this time to request that Plaintiff's letter motion, dated October 8, 2021 (Dkt. No. 133), be stricken from the public docket, and that the Court schedule a conference to discuss Plaintiff's violation of the temporary protective order in this matter (Dkt. No. 120). Plaintiff's letter motion purports to include direct (and unverified) quotes from Defendant's deposition, which remains under the temporary protective order issued by this Court; Plaintiff's publication of such content to the public docket is a violation of that order.

Defendant intends to further oppose Plaintiff's letter motion on the substantive issues in accordance with the Court's October 12, 2021 text order.

Thank you for your consideration of this request.

Respectfully Submitted,
