Terpening vs McGinty
17 Blair Rd
APT 6
Kingston NY 12446

Dear Honorable Judge assigned to this case,

I am not only pro se but I have suffered two strokes from the negligence and harm of the defendant

Judge Anthony McGinty:

I am invoking my ADA rights and requesting help to aid me with any learning disability as a pro se who has been negatively affected by the defendant causing strokes, acute ptsd and loss of income. I do not have the income to retain effective counsel to fight the abuses and civil rights violations by the defendant and I am doing my very best.

His address to serve him is as follows:

2 Development Ct, Kingston, NY 12401

Respectfully

SUBSCRIBED AND SWORN/AFFIRMED BEFORE ME
THIS 8th DAY OF November 2021
