v.

ARLENA M WILLES (001)

RONALD M DEBRIGIDA JR.

JUDGE FISH

MINUTE ENTRY

The Court has received, and reviewed Defendant's Petition for Early Termination of Probation filed June 14, 2023, and the assigned Adult Probation Office's Memo to the Court dated June 21, 2023. The Court has not received any response from the State.

Defendant was placed on probation for a period of 10 years beginning July 26, 2021. Defendant has been on probation for just under two years. According to the Memo to the Court, Defendant has failed to complete term 22 which consisted of a mental health evaluation and any recommended treatment. Defendant did apparently participate in Christian Counseling with New Life Community Church; however, the APO has never received any credentials associated with the counseling and the counseling was not APO approved. As a result, Defendant still needs to complete her mental health assessment. Accordingly,

IT IS ORDERED denying Defendant's Petition for Early Termination.
